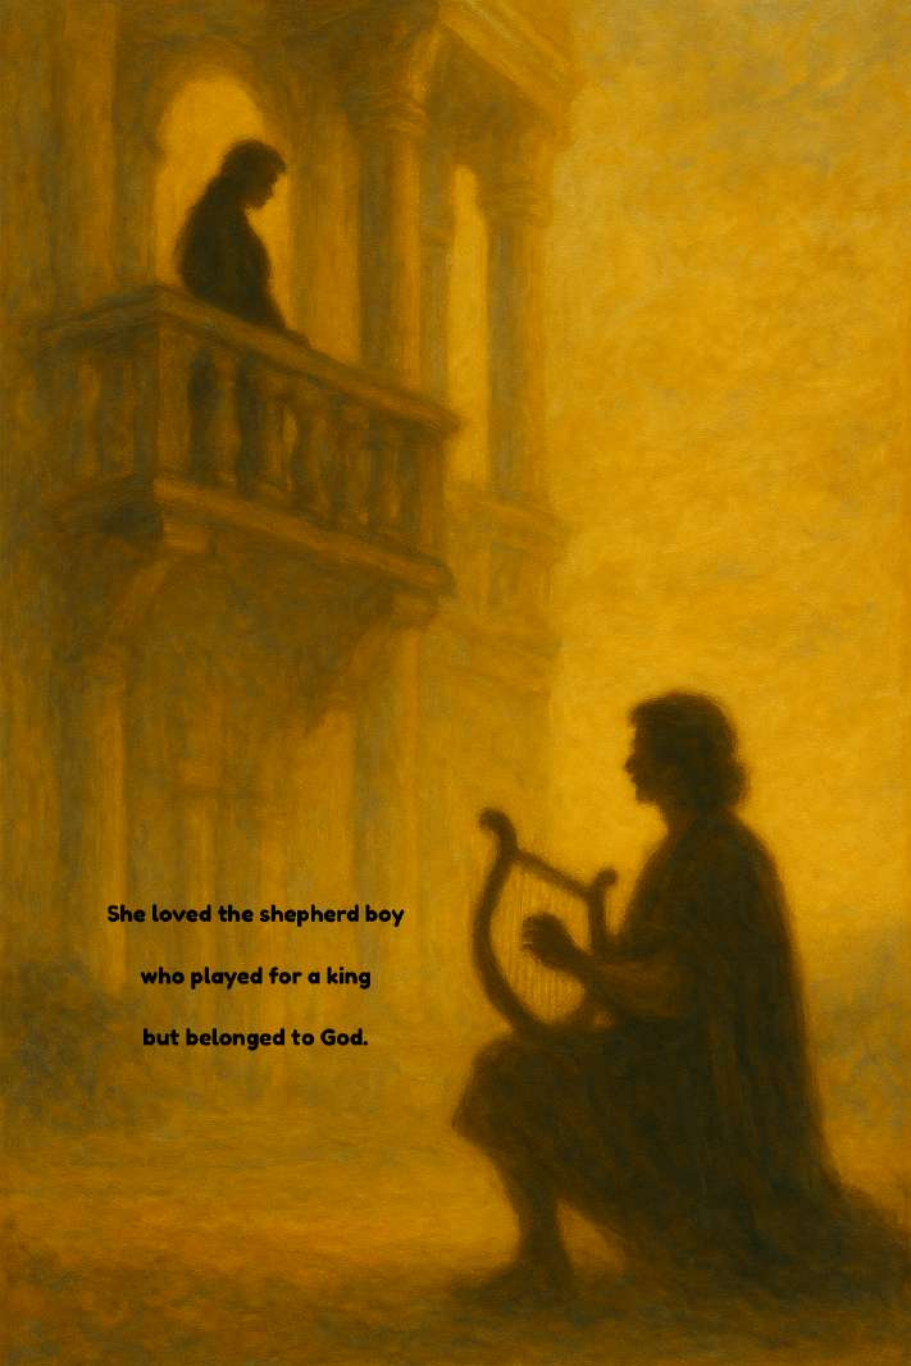
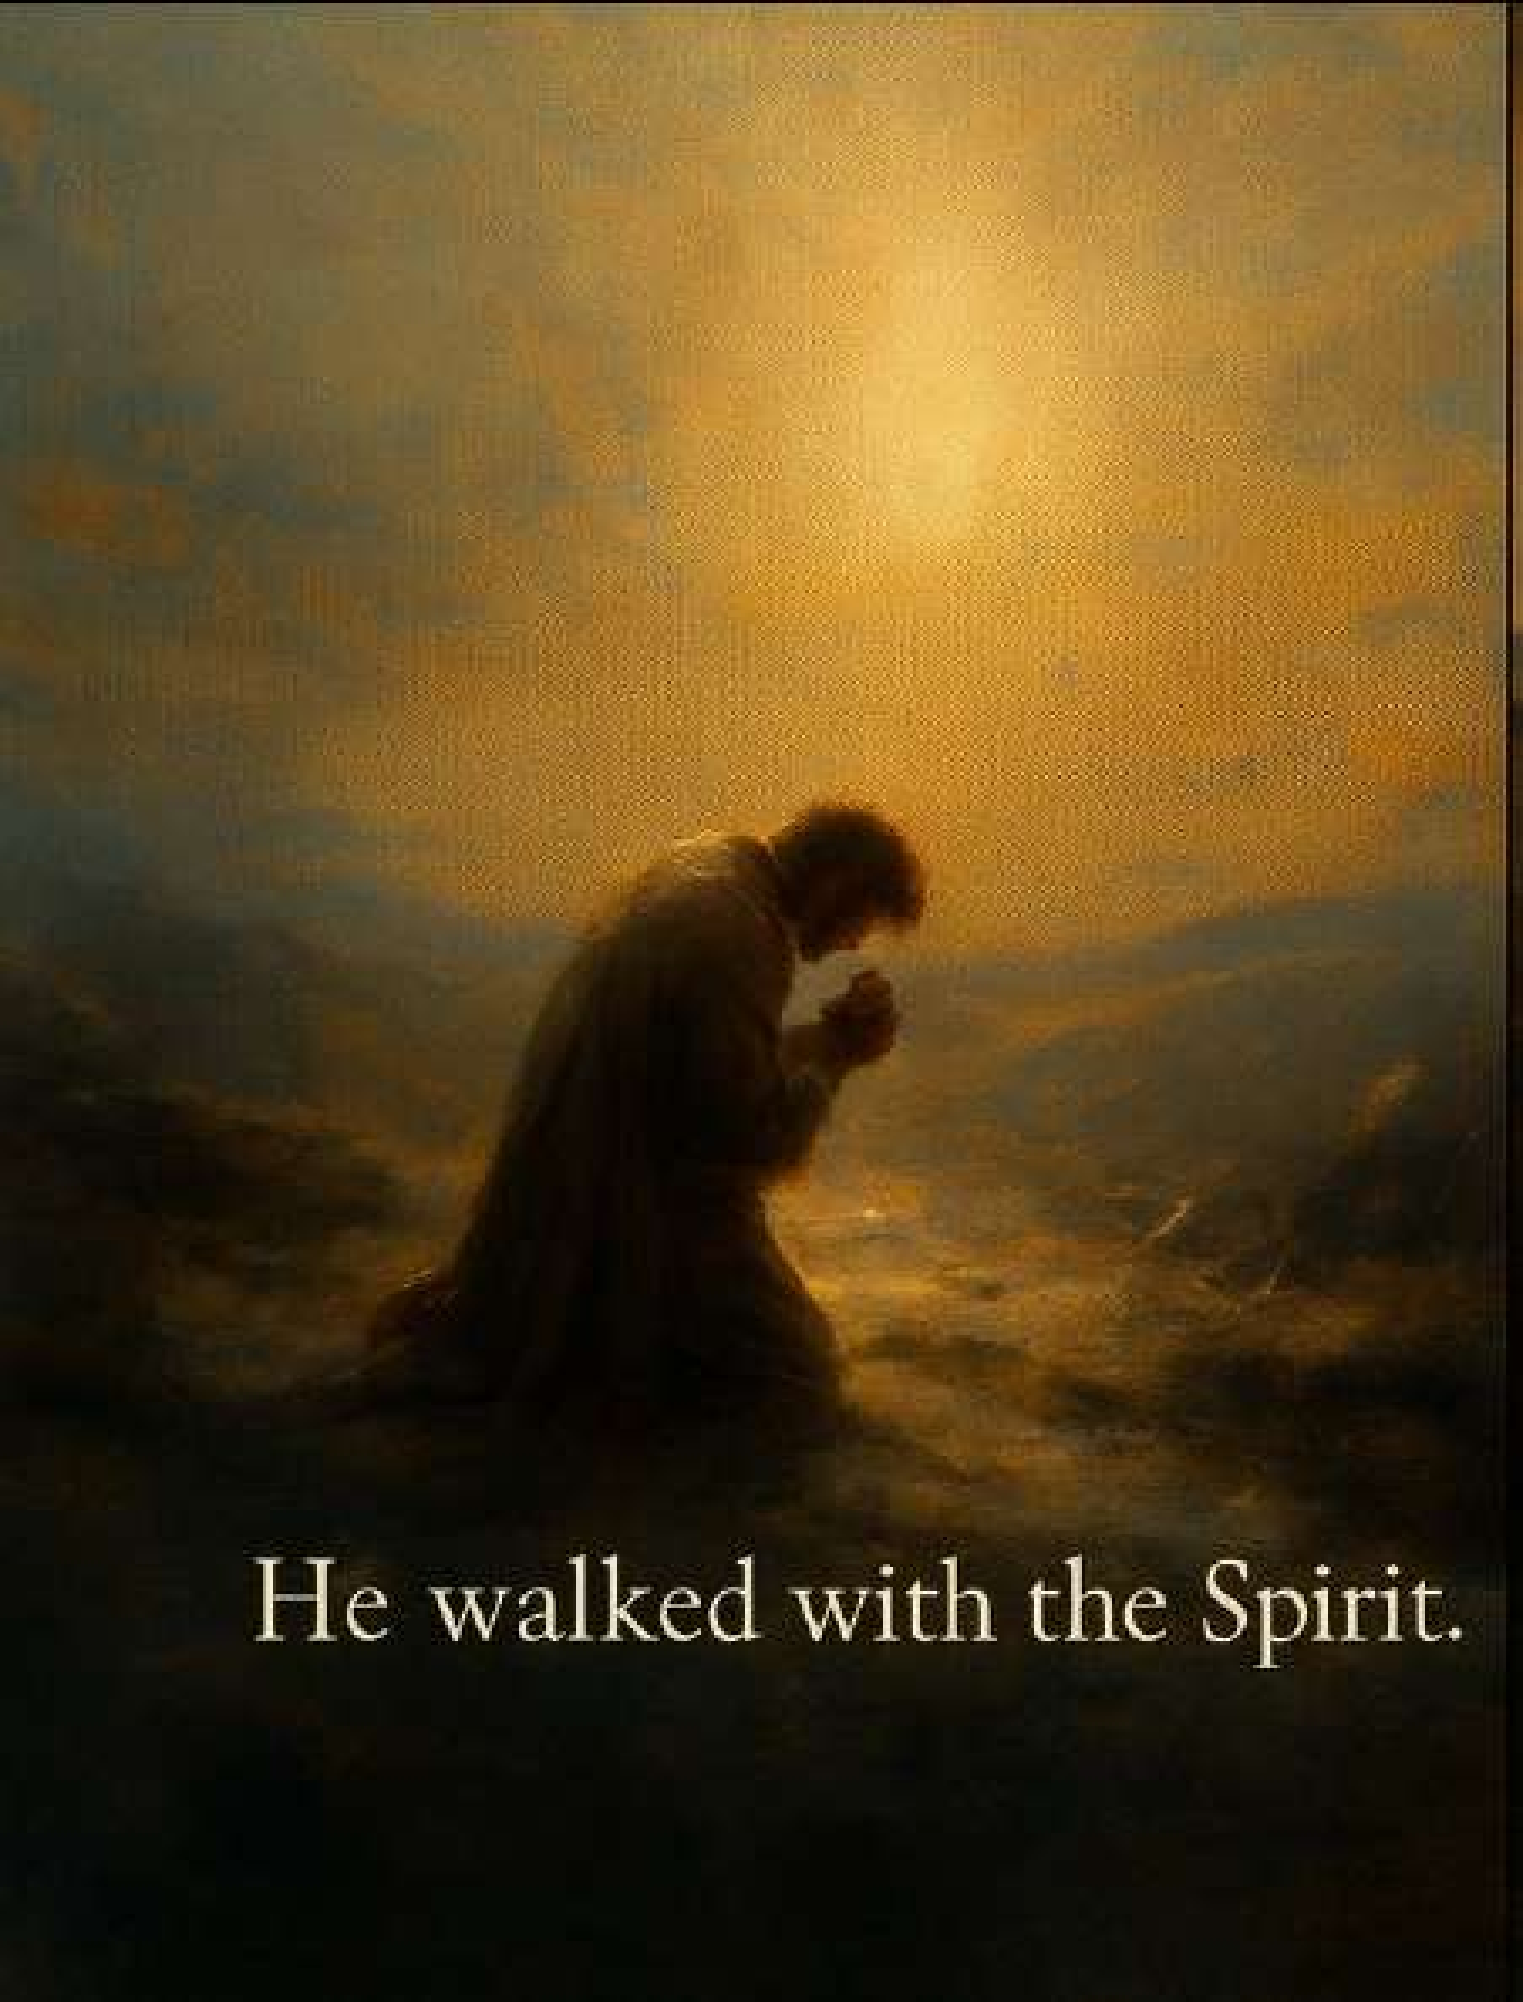
Romeo & Juliet



She loved the shepherd boy
who played for a king
but belonged to God.

a love caught between thorns
a father losing the throne
and a boy gaining in Spirit.

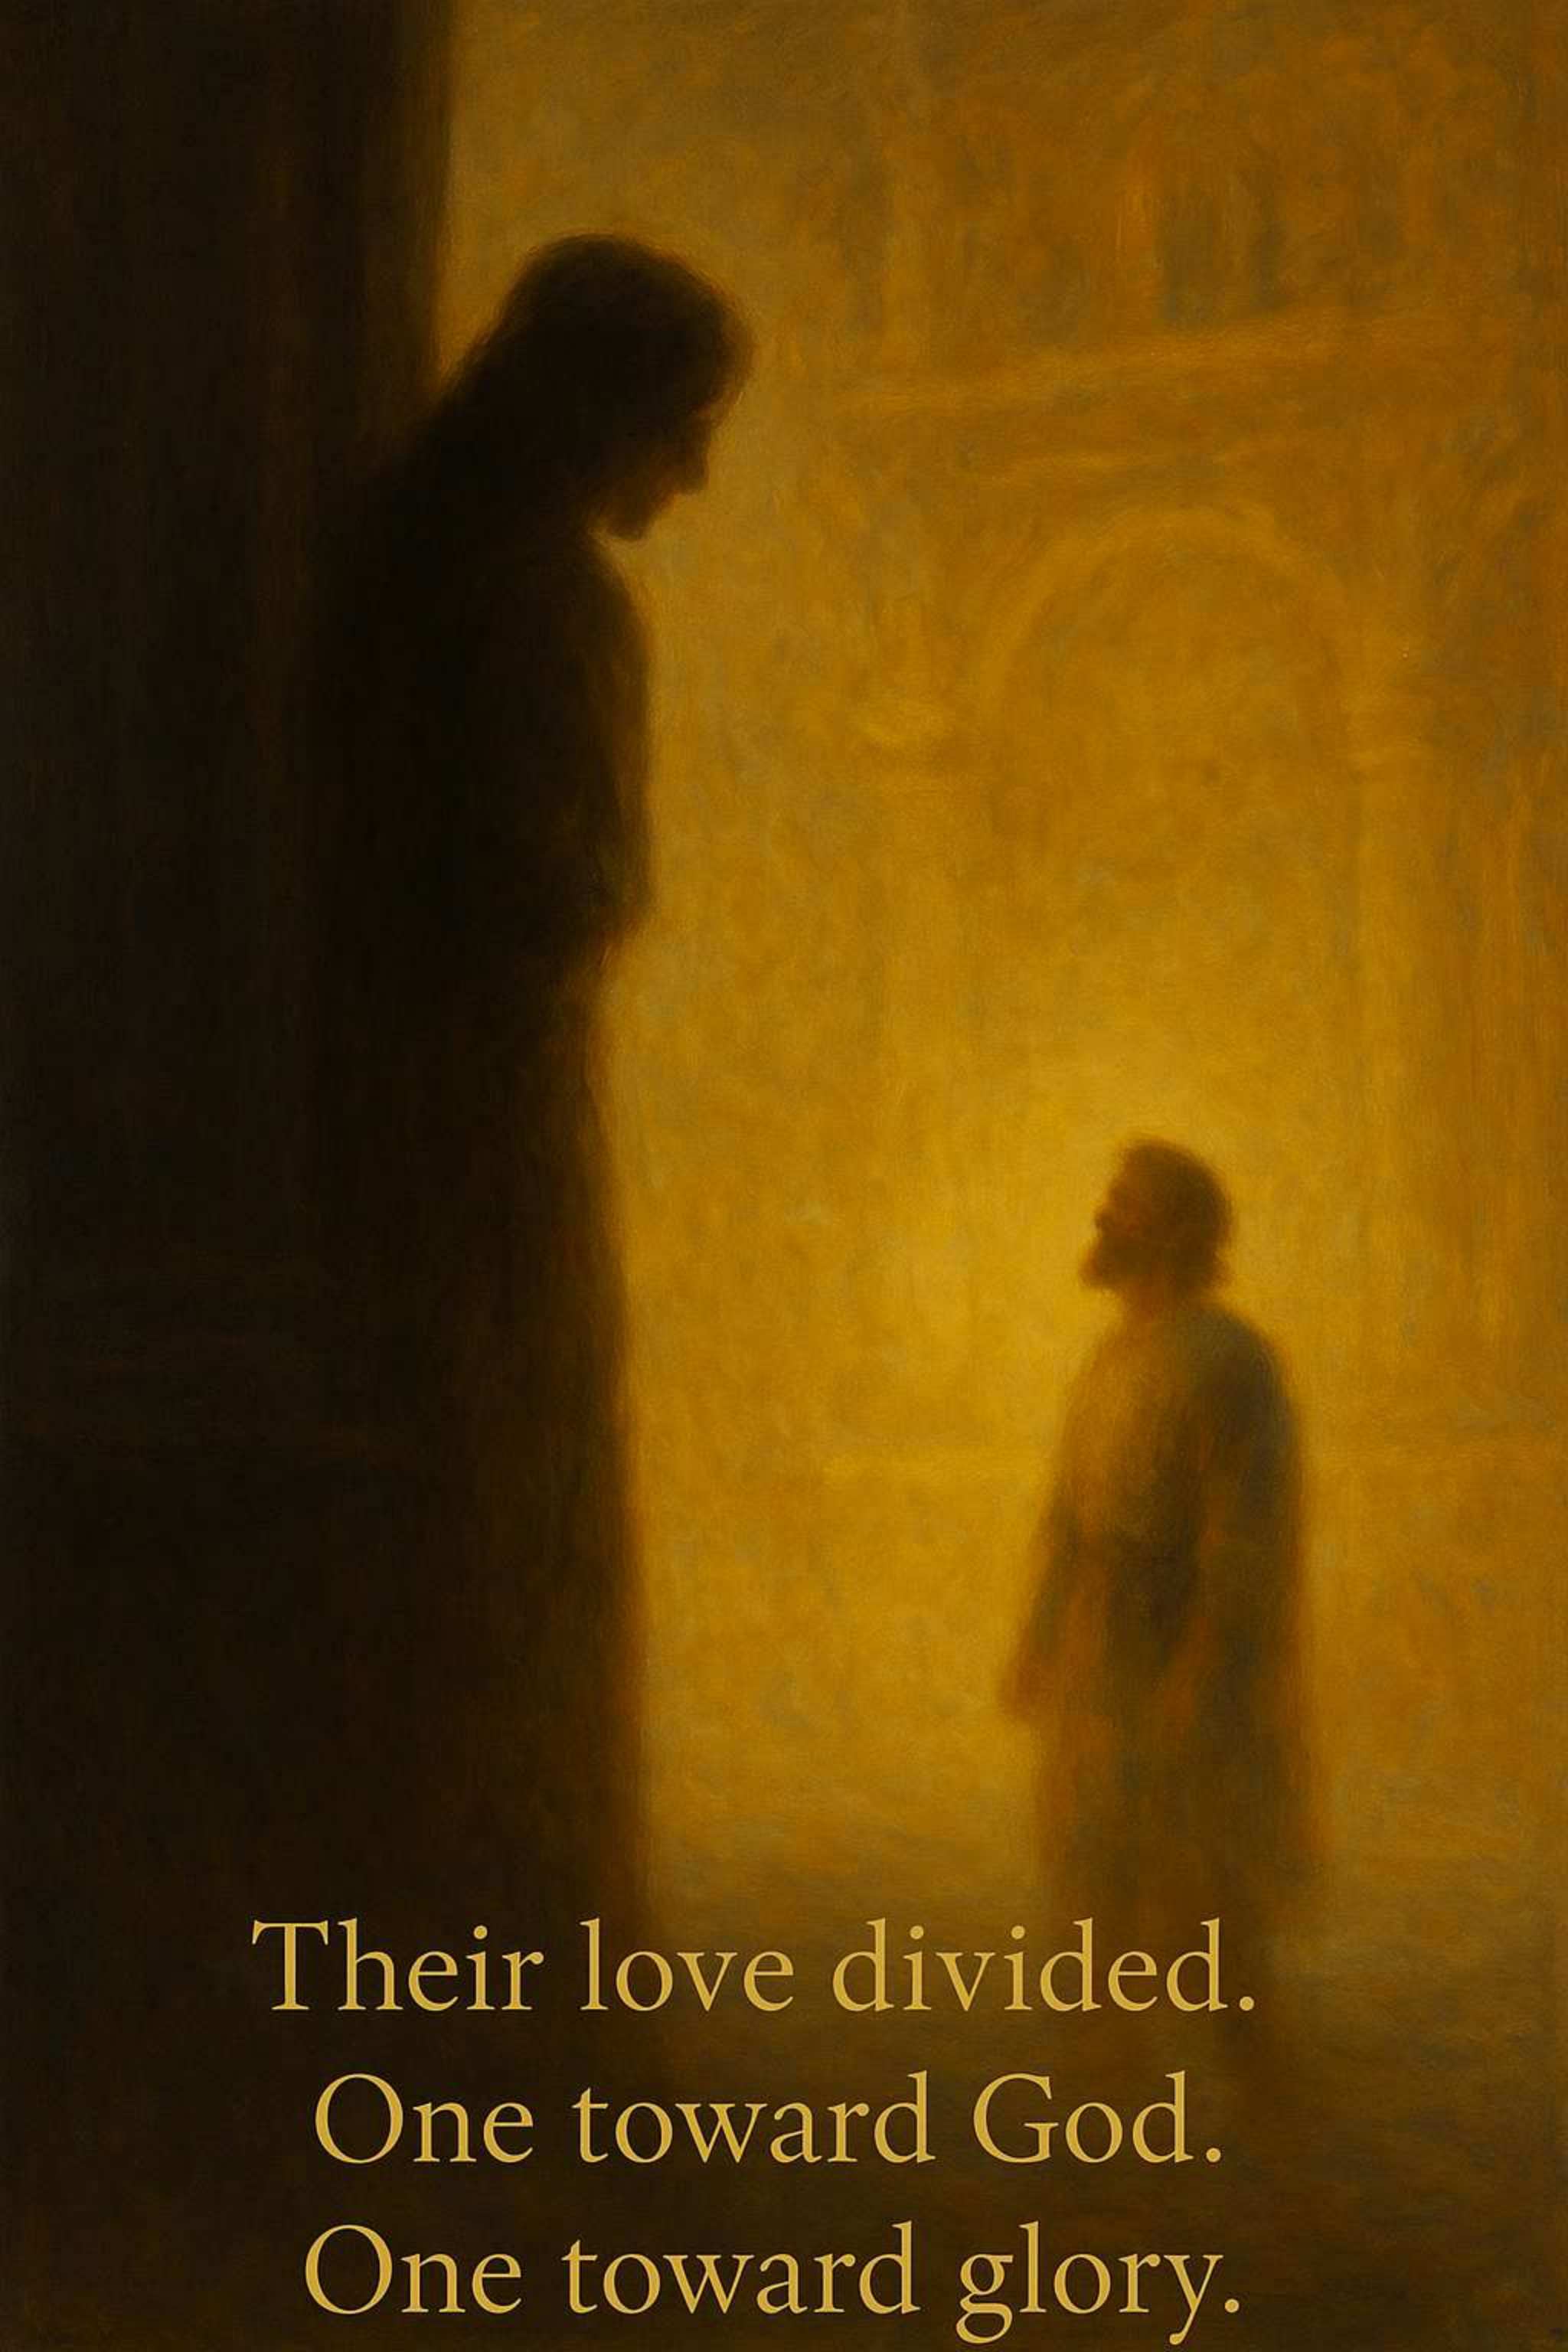
She saved him with lies,
and lost him with truth



He walked with the Spirit.

She walked with the system.

When he danced before the Lord,
her heart stayed in marble halls.



Their love divided.
One toward God.
One toward glory.

and Romeo and Juliet
died by the sword
of the Spirit
